HAPPY NEW YEAR !

Dear taekwondo friends,

We are honored to invite you to Noble Zaprešić taekwondo tournament 2011.

This year we organized fourth Noble Zaprešić taekwondo tournament and we had 672 competitors in the high school sport hall in Zaprešić. We did our best to find the best possible conditions for Noble Zaprešić taekwondo tournament 2011, because of the large number of competitors so we reserved a large sport hall Sutinska Vrela, Zagreb on Saturday 05. February 2011. One of the most famous Croatian sport halls enables simultaneous maintenance of the fight at 8 venues. We already showed respect for your time taken at our tournament so we start on time without lunch break and we give medals during the competition.

To make equal conditions for all the competitors, we divided cadets, juniors and seniors. Green/blue belts fight separately, red/black belts also. Weighing for juniors and seniors can be done on the day of the competition from 1200 to 1300 hours because their competition will not start before that time. As well as in Croatia, the official regional championships will be held in countries nearby in late February and beginning of March, so the 05th February provides an excellent opportunity as condition check tournament. Registration fee is 20 euros, and compared to 45 euros in Trelleborg, 40 euros in Sindelfingen, draws attention to Noble Zaprešić taekwondo tournament 2011., with excellent highway, cheaper accommodation and much closer way to the sport hall.

As every year so far, this Noble taekwondo tournament also features a humanitarian action. This year we are assisting one of our club family member's. Due to a severe bone disorder Azra Avdić requires an expensive hip surgery, so with this act we want to help her and her family. You will be also able to participate in this action by purchasing certificates of 20kn at the tournament, or paying the required amounts of money on club's bank account with "For humanitarian action" bank-assignment. Azra is a young artist and her painting will be exhibited at the tournament so you will be able to buy some of her works thereby directly helping her.

Kindest regards,

In Zapresic 26.12.2010.

President TK Zapresic Zdravko Pičikin

Secretary TK Zapresic Viktor Romančuk, dr.
